Select a Pre-Treat Sprayer to Fit Your Needs

Lawson manufactures a variety of pre-treat application sprayers to suit every need and budget. Lawson pre-treat sprayers are ideal for basic to sophisticated, in-home to high production, spraying of pre-treat solution. Pretreat garments consistently, quickly, easily and at the touch of a button with minimal-to-zero "out-spray." These pre-treat units save space and include Lawson's exclusive instant twist on/off spray nozzle that can be changed, and aligned, in seconds. In addition, the length of spray is easy-to-adjust and maintenance is very simple. All units come with a 1-year limited parts warranty & 24/7 service.
